

MAINE EMS EDUCATION COMMITTEE MINUTES

Date: Wednesday, June 12, 2002
Member Present: P. Marcolini (Chairman), S. Shapleigh, D. Boucher, L. Delano, P. Plumer, R. Petrie, B. Zito
Absent: C. Boehm, P. Conley, K. Pomelow, J. Partridge, B. Davis, D. Gilman, J. Caron, D. Palladino, G. Miller, B. Mullis
Guests:
Timekeeper: S. Shapleigh
Scribe: D. Corning
Meeting Opened at: 0908

TOPIC	DISCUSSION/ACTIONS TAKEN	FUTURE ACTION
1. Introductions	1. No introductions were necessary.	1. No action items necessary.
2. Additions to Agenda	<p>2. Two items were added to the agenda:</p> <p>a. Spinal Education Materials: Paul Marcolini has the final product that was developed by those interested in working on this task. He will forward the material to Jay, along with a note that the QI piece still needs to be fully addressed.</p> <p>b. Perry Jackson I/C application. This committee discussed an application from Perry in February. He had been an I/C, but did not attend the required rollout program in 1995 and lost his I/C status. He was instructed to present current instructor training that would be equivalent to what was required in a rollout. Daryl advised the committee that Jim Caron had received some material from Perry, but that it probably didn't meet our request. The committee requested that Daryl work with Perry to review the objectives of new curricula, and make sure he understands the changes that have taken place beginning with the EMT-B update in 1994. When Daryl is comfortable that the intent of the 1995 rollout has been met, he will advise Jim Caron, and Jim will send a letter to that effect to Dwight, who will issue a new I/C certification to Perry.</p>	<p>a. Paul Marcolini to forward material and comments to Jay.</p> <p>b. Daryl to work with Perry Jackson to meet 1995 rollout objectives.</p>
2. Ratification of Minutes	3. Motion: To approve the April 2002 minutes as written. (Petrie, Delano) Passed	3. No action items necessary.
4. Staff Report	4. Dwight reported on recent actions and discussions at the Operations Team, including the topics of Objective Criteria for Course Approval, Exam Committee and Testing Issues, CPR Programs, MDPB discussions, and funding issues.	4. No action items necessary.

5. Old Business

- a. EMT-I Program &
EMT-P Bridge
Program

5.

- a. The committee began to review comments received on adding or deleting objectives from the draft EMT-I 2002 curricula, but found it very difficult to do in the absence of more didactic information. It was agreed to instead take the full curricula that has been prepared through section 3-1, and review it for inclusion/exclusion of material. Committee review through section 3-1 is expected prior to the July meeting, so it can be reviewed and discussed then. The meeting official adjourned at this time with agreement that all members would stay until 1200 to work as a group on this review.

5.

- a. **All** to review the draft EMT-I curricula through section 3-1 (sections 1-1 through 1-5 were completed as a group following this meeting. Please bring recommendations to the July meeting for discussion.

The meeting adjourned at 1035

Next Meeting: July 10, 2002 9:00 am - noon
